

# FORM 5 EXERCISES

- By the end of form 5 the student will be prepared to sit for the SEC exam in GRAPHICAL COMMUNICATION.
- At 6th form level the student can further his/her studies and sit for the Advanced or Intermediate level.
- Graphical Communication, together with other subjects, is important if the student wants to become an architect, engineer, technician, mechanic, interior designer, teacher, sheet metal worker and any other profession related to the building and manufacturing industry.
- For further information please contact the Graphical Communication department on the telephone numbers listed below.
